

Improvement Options to Reconsider if Funding Becomes Available

(Currently Not Advanced)

Passenger Rail

With Termini at Stevensville and Downtown Missoula

Legend

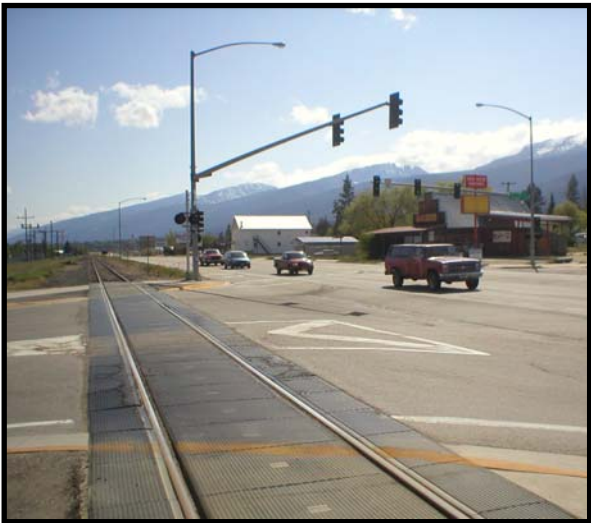

US 93

Eastside Highway

Approximate Location of Existing MRL tracks

Proposed Stations / Stops

Note: Locations are approximate

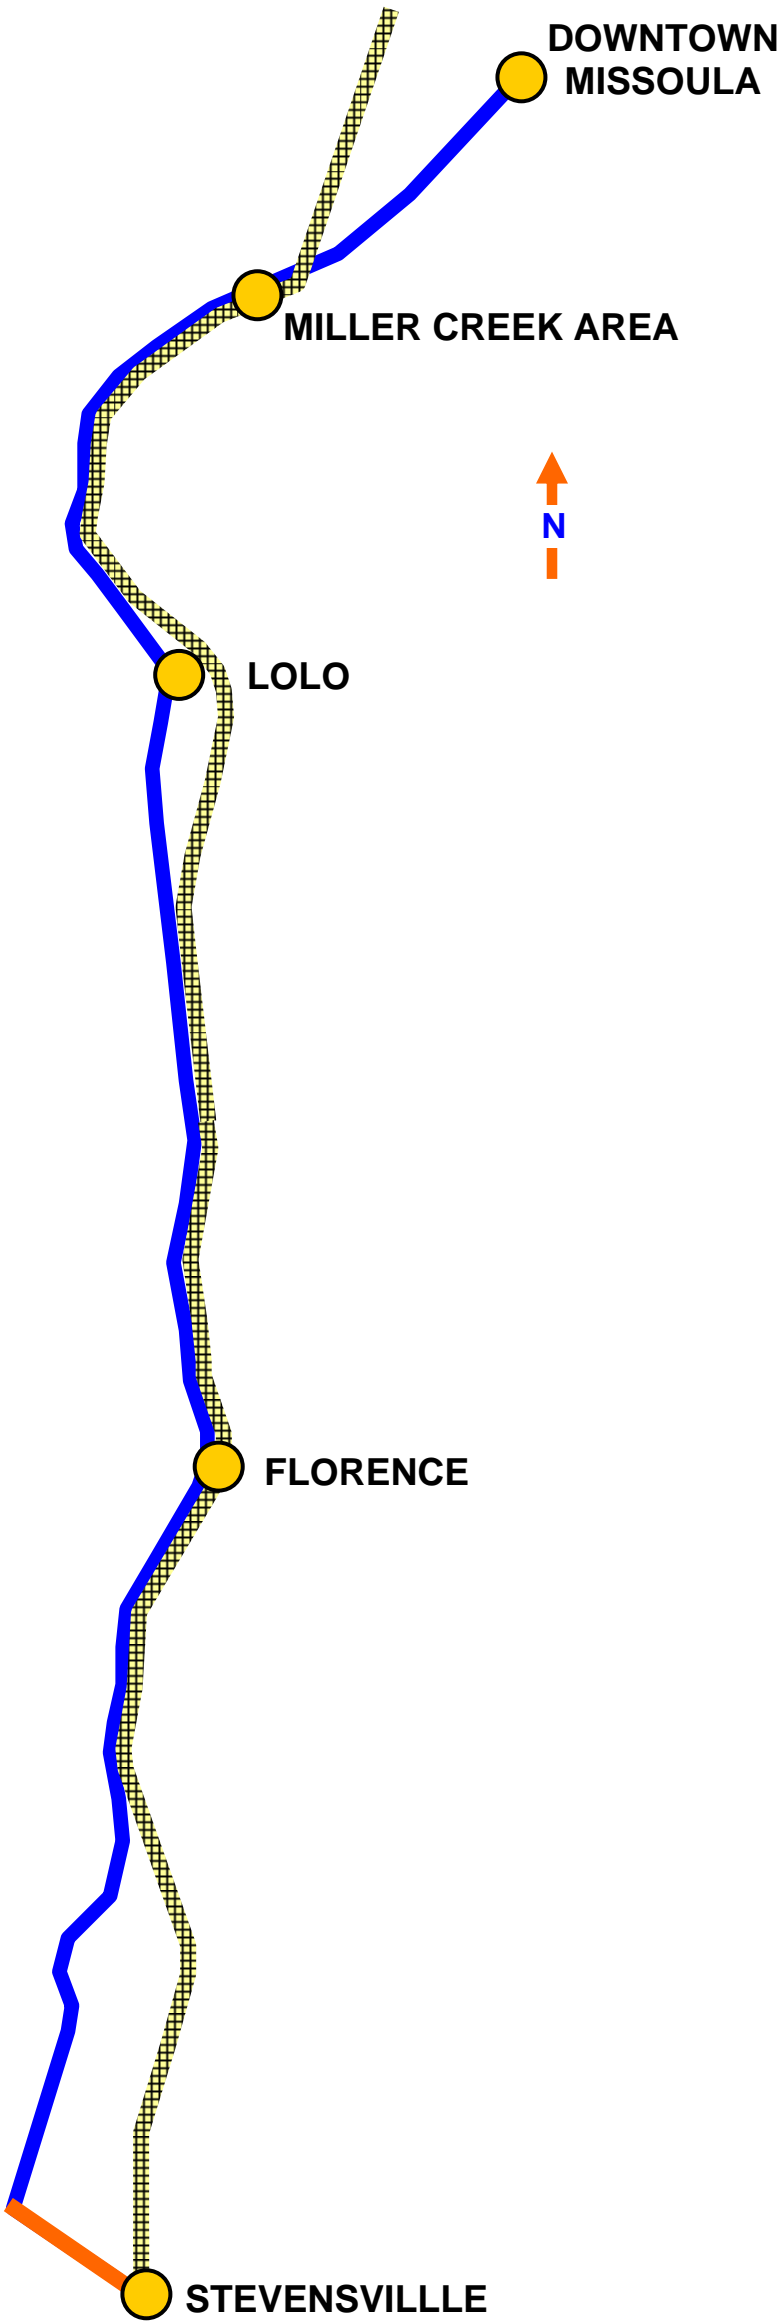

MRL tracks adjacent to US 93

Example of Heavy Diesel Multiple Unit (DMU) by Colorado Railcar Manufacturing

Example of Light DMU - New Jersey Transit RiverLINE

Heavy DMU: Fully compliant with all Federal Railroad Administration (FRA) requirements
Light DMU: Requires a waiver from some FRA requirements and time separation of passenger and freight trains.
